BSBR Spring Newsletter

Welcome BSBR Members

BSBR ASM Liverpool 3-5th November 2024

Preparations are under way for the ASM in Liverpool Sunday 3rd - Tuesday 5th November with our International speakers Professors Christopher Comstock and Frederick Strand confirmed. BSBR is a great opportunity to stay up to date with all things breast imaging related and network with colleagues. Registration will be opening soon. Start preparing your scientific abstracts.

We look forward to seeing you in Liverpool!

BSBR ASM Liverpool 2024

Applications for BSBR Vice Chair

Dr Eddie Gibson will complete his term as chair of the BSBR this November and Dr Gerald Lip will take over the role of Chair.

We are looking for applications for the Vice -Chair post. This is a 2 year post, followed directly by a 2 year post as Chair of BSBR. Interested applicants should submit a one page CV and 500 word statement outlining why they would be best suited to the role. Applications should be emailed to the BSBR secretary at t.suaris@nhs.net

Potential applicants are encouraged to contact Dr Gerald Lip, current Vice-chair, to speak informally about the role at gerald.lip@nhs.scot

Deadline for applications: June 30th 2024

AVOID audit

The AVOID audit is still open and we are keen for as many centres to participate as possible. Please email Dr Nisha Sharma at nisha.sharma2@nhs.net to take part in the audit.

BSBR Website Coordinator & Data Manager

Applications are open for BSBR Website Coordinator & Data Manager.

Applications are open for a position on the BSBR committee to join as a BSBR Website Coordinator & Data Manager role to ensure effective external communication via the Society's website. This three-year term role requires adaptability to technological advancements and a focus on website functionality, content, and social media engagement. A full job description is available to those interested in applying by emailing t.suaris@nhs.net.

Potential applicants are encouraged to contact Dr Jonathan Nash, current post holder, at jonathan.nash2@nhs.net

Deadline for applications: June 30th 2024

BSBR Bursaries

The BSBR sets aside funding for educational projects in all aspects of breast imaging. An educational bursary of up to £5,000 is made available for this. We welcome innovative proposals from National and International members for projects that support with education and training in breast radiology. These may be applied for individually or as a team. The bursary may be awarded to a single or multiple projects to a maximum of £5,000.

The BSBR is keen to promote and support research within the breast imaging community with a separate research bursary of up to £10,000 available. This may be applied for individually or as a team by National and international members. The bursary may be awarded to a single or multiple projects to a maximum of £10,000.

Applications for both of these are now open.

The application closing date has been extended until May 24th.

We look forward to hearing from you if you feel you have a project that might fit one of these criteria. Please send in your applications via email with BSBR bursary in the heading to BSBR secretary at t.suaris@nhs.net, and mention the type of bursary you are applying for i.e. Research or Education. Send in a proposal for the project, the members involved, a costing and the duration of the project. If selected, you will need to submit a project completion write up at the end. This will be uploaded on the BSBR website.

Closing date for applications: 24th May

Successful applicants will be informed by email along with a mention in the BSBR newsletter for Summer 2024.

Remember to visit the BSBR website

The website is a source of information for our members, including information on current guidelines, up coming breast related conferences and courses. Please check in regularly.
